BORLAND

TEXT EDITOR

❖ Project Name   : BORLAND TEXT EDITOR

❖ Language   : C++

❖ Compiler   : Borland C Compiler

❖ Subject   : Computer Graphics

❖ Algorithms

   1) Line Drawing Algorithm

    2) Window Manipulation Algorithm

❖ Files

    1) app.cpp   (main application)

    2) include.cpp (includes declaration and definitions)

    3) graphic.cpp (graphic functions)

    4) menu.cpp   (menu manipulation functions)

    5) window.cpp(window manipulation functions)

❖ Size   : 14.8 KB (15,254 bytes)

Borland Text Editor

Borland Text Editor is the simple text editor which graphical representation is same as BORLAND C Compiler. (Borland C Compiler is made under GNU-General Public Licence so it is available to modify or use without prior information to its author.). Editor gives you the feel of old Borland compiler with its original contents. You can write and read from the specific files.
